

*Transnational project webinar:*

# Circular Economy - Let's Go Green!

Thu 15 October 2020, 14.00-15.30 UTC+1

Welcome to join an inspiring international webinar on the topic of Circular Economy, and discover how its principles can help businesses think out of the box, thrive, and become part in building a better, sustainable world.

Featuring:

- Elin Bergman, Circular Economy expert at WWF and spokeswoman for CradleNet  
*"Obstacles and opportunities for circularity in the Baltic Sea region"*
  - Laura Jalasjoki, policy analyst at European Network for Rural Development  
*"Experiences of rural bioeconomy and local circular business models in Europe"*
- and of course the participants from Finland, Luxemburg and Sweden!
